

Hello to all handball players,

**Donate now to help get three lads to the upcoming USHA Junior National Events**

Costigan Youth Handball is undertaking a fund raising effort to provide additional travel assistance for three players (Jon Gutierrez, Garrett Rose, and Abraham Sanchez) to attend the USHA 3 Wall Junior Nationals in late July and the combined World/USHA Nationals in Minneapolis in mid-August.

These funds will be used to pay travel and entry expenses beyond the CYH travel and entry subsidies (\$200 per player for travel and \$55 for entry subsidy). In this case, the CYH total is \$1,530 for the three players for both tournaments.

But.....the cost to attend these events is significantly more considering airfare, hotel, food, and entry. These players have shown significant interest and success in pursuing handball and all are in financial need. Costigan Youth Handball is inviting you to be a financial sponsor so we can send these boys to the tournaments.

We've set a minimum \$2,000 goal for our fundraising effort. We will establish an account for the National Junior Travel Fund (NJTF) for all income and expenses. If we raise more, this travel fund will remain and be used for future junior/collegiate national events.

If you can, please donate to this effort. \$50, \$75, \$100 or ????. We will keep a tally of amounts and names so you can all be recognized as contributors. Thus far we have 6 contributors and a total of \$680.

Please send your contribution directly to:  
Ron Bronner  
5425 South Geneva Street  
Englewood, CO 80111

Make your check payable to the Colorado Handball Association and note "for NJTF" on the check.

Thanks!
