Memo from the Colorado Handball Association Board of Directors

At the recent December CHA Board of Directors meeting, Bob Hickman announced his intention to resign from his position as Director of Costigan Youth Handball effective at the end of 2021.

This gives the CHA Board about two years to search for a new Youth Director. Bob has indicated his willingness to work closely with the Board and with those who have interest in this position. That includes active mentoring, transfer of history, the procedures and detailed knowledge necessary for a seamless transition. Candidates will ultimately be screened by the CHA Board with final selection by the Board.

The CHA Board is proud of the Costigan Youth Handball program and the national prestige it has earned among USHA members. We are confident our youth program will prosper and grow in the future.

If you have interest in learning more about the detail of this role, please contact either Bear Meiring - bearmeiring@yahoo.com or Bob Hickman - bnlhick@aol.com. This position is an exciting and rewarding experience for the right person committed to our Youth Development.
